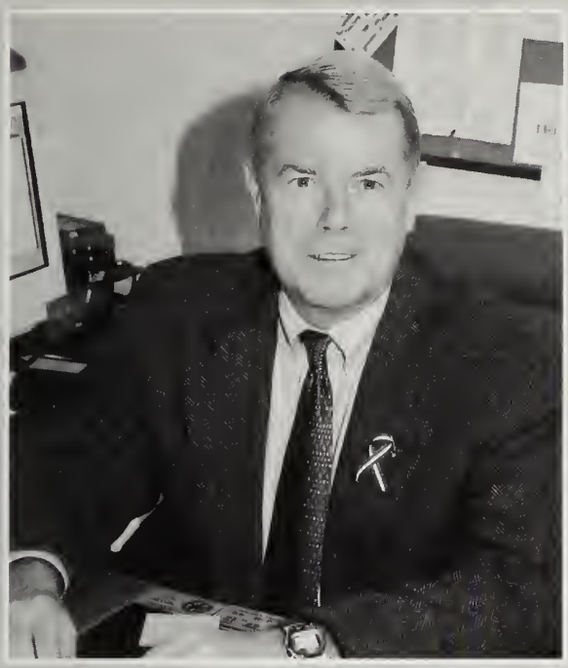
The Year 2002



James J. Hager
Superintendent

To the Class of 2002:

Congratulations! It is time to celebrate and recognize your hard work accomplished here at Southeastern Regional Vocational Technical High School. You are most fortunate to have received a Vocational Technical Certificate upon which to build your future. I congratulate the Class of 2002 and wish you the best of health and good fortune in the years ahead.

Jerome Burke
Assistant superintendent Director/Principal

To the Class of 2002 :

Congratulations to the Class of 2002. Four years ago, you came from a variety of communities anxious and concerned about what high school would be like. Those four years passed quickly and you succeeded when many others did not. You completed a major milestone your path to success-graduation from High School.

The vocational/technical and academic skills you developed during the past four years at Southeastern prepared you for your future successes. If it is a job or college, you possess the skills and knowledge to succeed; the motivation and determination to succeed, but most of all you showed the attitude to succeed.

I congratulate you.

Remember the people who helped you along the way your classmates, your teachers, and especially your parents. Maybe one or all touched your life, provided that important word or hug when you needed it most. I hope you thank them for that support and encouragement. I hope you continue to find support and encouragement from the people around you. "If you don't receive support and encouragement from the people around you"- and I quote from Mark Mainella, the man who spoke to us on Opening Day last fall, "then change the people around you." Don't settle for less than the best, you deserve the best.

It is my pleasure to know the Class of 2002. Your smiles and greetings made my days so very special and I thank you for that. I will greatly miss you. I hope you continue to experience success, happiness, and joy: appreciate the lessons that each day teaches. It is the only life we have- I am pleased I went this way with you.

I hope that you continue to be involved with Southeastern Regional. Our alumni are our best supporters - as members of our alumni association, advisory boards, parents' groups, and as teachers.

I know the Class of 2002 will continue to support our school.

HAWKS

To describe this years basketball team is easy. **Dedicated!** No one has learned more the hard way than the three seniors. Mike Kimble, Jorge Quinnones, and Mike Gallant have gone from a 0-20 record to 18-4 and a league championship. They were pushed around but this year they did the pushing. The coaching staff is proud of their hard work. The hawks were led by two time league M.V.P. and Enterprise All-Scholastic Mike Kimble . Jorge Quinnones led the hawks in assists and was also a league all-star. The team was blessed with a great junior class led by Markenzie Valmeous and David Kimble who should both be players to whatch in the state next season . Others were J.J. Nolan, Jason Bing, Mike Azevedo, Amar Dunnagan, and James Cobb. This group has started some tradition at the school that will not be easy to surpass. Thank you for the memories.
